

ATA is thrilled to unveil our newest show truck highlighting the intermodal sector. Get ready for an exciting journey as we travel the country, spreading awareness about the crucial role of intermodal motor carriers in bringing the world to your door. This new addition will enable us to further educate the public about the indispensable role of truck drivers, their commitment to safety, and how intermodal carriers play an integral part of our lives.

PROGRAM (select one):

Must be an ATA member to sponsor. If you have any questions about membership, please reach out to Brittany Green, at bgreen@trucking.org.
